Ring for Clasp: 481394

Tools Required:

Chain Nose Pliers: 346518

Wire Cutter: 346305 or 346122

Tools Recommended:

Bead Board: 362102

A note on cost of supplies - Our classes are not kits, we try to encourage creativity. It is difficult to give even an estimate for the cost of supplies since most people have some items already, and most classes have different options. If you have never taken classes before and need everything, we will be happy to let you use whatever tools we have available for your first class so you can discover how enjoyable it can be! The one-time cost for the basic tools and supplies required for all classes after that is about \$60. In addition each class has a list of required tools and supplies. For this class that cost will run about \$30 - \$50. If you have any questions regarding the cost of supplies or anything else about the class, please contact us.
